4. The applicant is responsible for the accuracy of the data supplied. While every effort is made to ensure the correctness of the data on the website, the onus is on the business to check their listing and advise of any errors. While every effort will be made to display the information as provided by the applicant, the DDCDA reserves the right to make minor alterations to the data provided if required. Changes to contact details/listings will be facilitated once per year when the listing is renewed. All requested changes must be submitted in writing to the DDCDA.
5. The subscription renewal date is the 1st October of each year. The business listing is renewed when the applicable subscription is made to the DDCDA (Subscription costs listed on Page 2). The subscription amount may be amended by the DDCDA at its Annual General Meetings. Businesses who have not renewed their subscription by the 1st December will be removed from the directory. While every effort will be made to remind business that the subscription renewal is due, it is the sole responsibility of the business to renew the subscription each year and the DDCDA take no responsibility for reminders not issued.
6. All subscriptions received will be used by the DDCDA in the running of the association or to fund community projects as voted on by the committee. Details of the DDCDA's activities, AGMs, meetings etc are available at www.doohamlet.com.
